

SENSING DATA RELIABLY, ACCURATELY & WIRELESSLY

- ✓ *Easy Installation (One-step Application)*
- ✓ *Central Monitoring*
- ✓ *Trigger Alert On Changes In Component Status*
- ✓ *Eliminate Manual Tracking*
- ✓ *Aid In Advanced Predictive Maintenance Planning*
- ✓ *Prevent Downtime*

Wireless Flexible
Temperature Sensor
(RFID Sticker)

Moisture and Temperature
Sensor Evaluation Kit
(Portable Scanner)

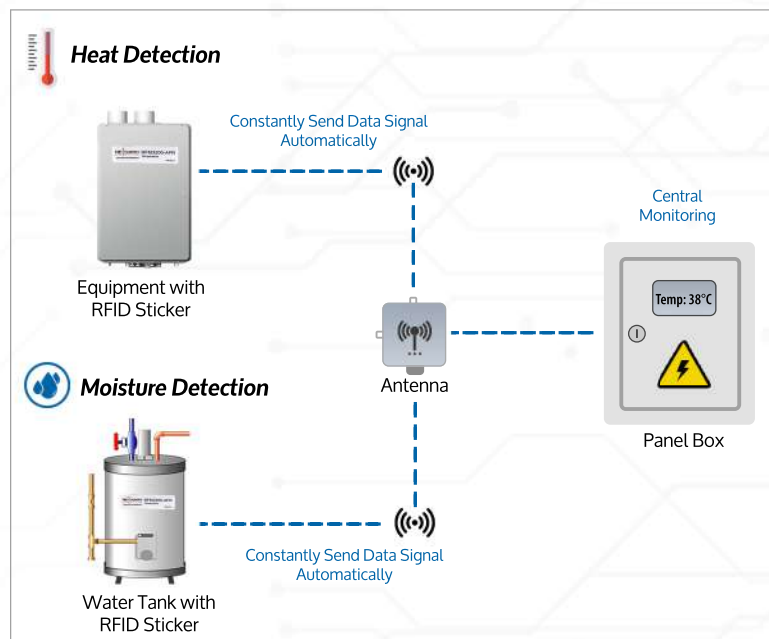

Axzon brings a new approach to connecting, sensing and processing data.

FEATURES

- Battery Free
- Wireless Communication
- Plug and Play Temperature Monitoring
- Flexible Integration
- RFID Gen2v2
- Enable Item Level Sensing
- Flexible Mounting Location & Low Cost per Point

BENEFITS

- Improve Business Insights*
- Achieve Equipment Reliability*
- Ensure Personnel Safety*
- Protect Key Assets*
