

LIO FLEX CUT RESISTANCE LV3

- CUT RESISTANCE LEVEL 3
- NBR-COATED FOR FIRM GRIP
- STRENGTH, FLEXIBILITY, COMFORT
- DMF-FREE & SAFE
- EASY TO WEAR AND CLEAN

LIO FLEX Cut resistance protects your hands by upgrading to the cut-resistance option for the LIO FLEX Multi Purpose series. LIO FLEX Cut resistance is DMF (Dimethylformamide) free glove. DMF can cause abnormal liver function such as acute hepatitis. Excellent flexibility & fitting let you feel like bare hands. LIO Flex's technology enable shape memory performance which can minimize fatigue even over long working hours.
